## Define your problem statement

What problem are you trying to solve? Frame your problem as a How Might We statement. This will be the focus of your brainstorm.

5 minutes

**PROBLEM**

Most of the rural area people can't implement the IOT devices because of they don't know about the device uses and it is difficult to use

**Key rules of brainstorming**  
To run a smooth and productive session

- Stay in topic.
- Defer judgment.
- Go for volume.
- Encourage wild ideas.
- Listen to others.
- If possible, be visual.

2

## Brainstorm

Write down any ideas that come to mind that address your problem statement.

10 minutes

### Person 1

- Within a minute it can alert the farmer
- It is an automation device it can reduce the work
- It can notify the problems that occur in the field
- Improved and new technology will help farmers in effective way
- Data stored in cloud it will be useful for farmers to see the activities of the crop
- it can store all the data in the cloud

- saving in labor and field preparation cost
- Software interface will be understandable
- Balancing the need of devices to ensure the device effectively
- For using various smart agricultural gadgets, farmers have gained better control over the process
- Suitable for all types of soil
- High accuracy of field encryption

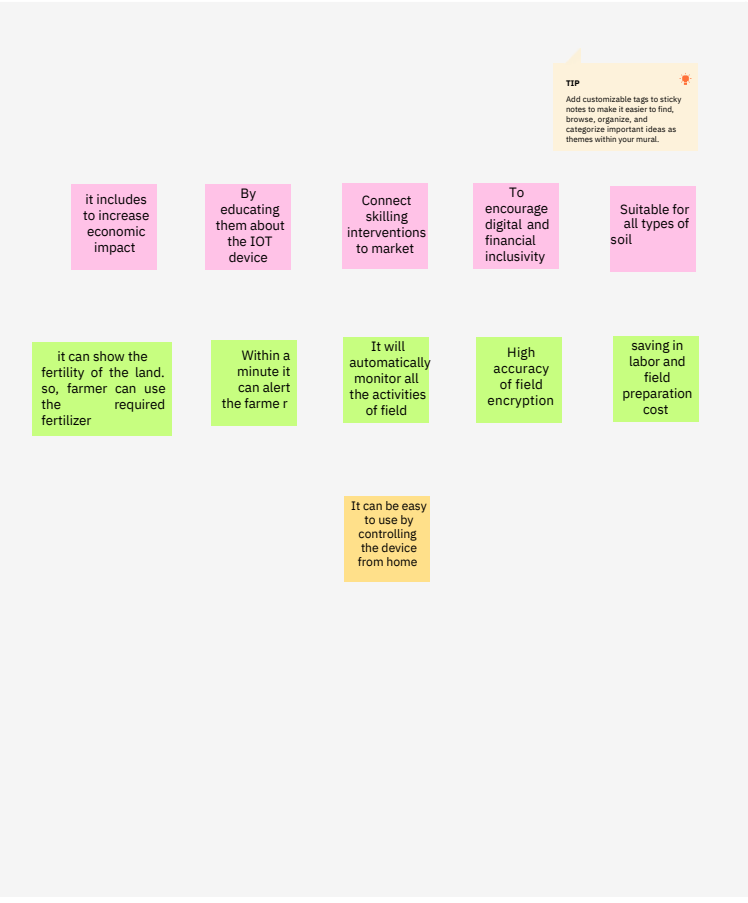

**TIP**  
You can select a sticky note and hit the pencil (switch to sketch) icon to start drawing!

**TIP**  
Add customizable tags to sticky notes to make it easier to find, browse, organize, and categorize important ideas as themes within your mural.

### Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you and break it up into smaller sub-groups.

20 minutes

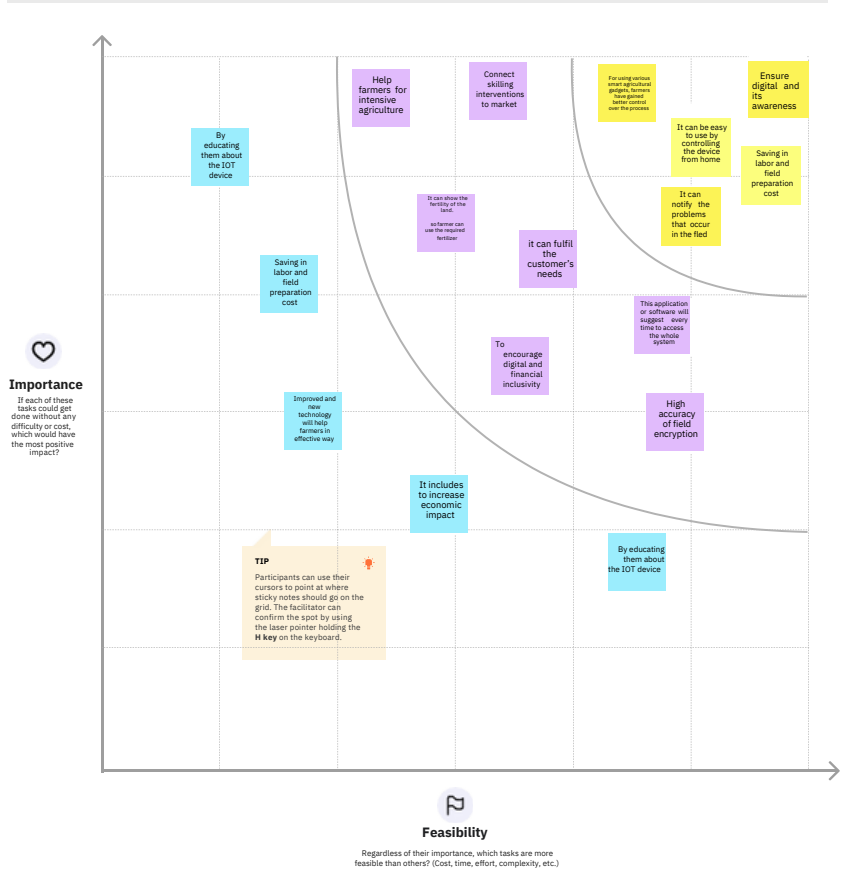

4

## Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.

20 minutes

5

## After you collaborate

You can export the mural as an image or pdf to share with members of your company who might find it helpful.

### Quick add-ons

- A Share the mural**
